## Subject Index

### Acute Stress Disorder

Impact of patient suicide on psychiatrists and psychiatric trainees. Ruskin R, Sakinofsky I, Bagby RM, Dickens S, Sousa G. Summer 104-110

### Addiction Psychiatry

Addiction Training Scale (ATS): pilot study of a self-report evaluation tool for psychiatry residents. Sattar SP, Madison J, Markert RJ, Bhatia SC, Petty F. Fall 204-208

Workforce information on addiction psychiatry graduates. Tinsley JA. Spring 56-59

### American Board of Psychiatry and Neurology

Subspecialty certification by the American Board of Psychiatry and Neurology. Juul D, Scheiber SC, Kramer TAM. Spring 12-17

### Assessment

Addiction Training Scale (ATS): pilot study of a self-report evaluation tool for psychiatry residents. Sattar SP, Madison J, Markert RJ, Bhatia SC, Petty F. Fall 204-208

Assessing psychotherapy competence (letter). Mohl PC. Fall 251-253

Assessment of competency in child and adolescent psychiatry training. Sargent J, Sexson S, Cuffe S,

- Drell M, Dugan T, Ferren P, Kim WJ, Stubbe D, Zima B, Brown T. Spring 18-26
- Can one portfolio measure the six ACGME general competencies? Jarvis R, O'Sullivan PS, McClain T, Clardy JA. Fall 190-196
- Construct validity of an objective structured clinical examination (OSCE) in psychiatry: associations with the clinical skills examination and other indicators. Park RS, Chibnall JT, Blaskiewicz RJ, Furman GE, Powell JK, Mohr CJ. Summer 122-128
- Use of a computerized evaluation system in a psychiatry clerkship. Bennett A, Arnold LM. Fall 197-203
- Biopsychosocial Model**
- Biopsychosocial formulation: recognizing educational shortcomings. McClain T, O'Sullivan PS, Clardy JA. Summer 88-94
- Burnout**
- Burnout comparison among residents in different medical specialties. Martini S, Arfken CL, Churchill A, Balon R. Fall 240-242
- Case Formulation**
- Biopsychosocial formulation: recognizing educational shortcomings. McClain T, O'Sullivan PS, Clardy JA. Summer 88-94
- Certification**
- Subspecialty certification by the American Board of Psychiatry and Neurology. Juul D, Scheiber SC, Kramer TAM. Spring 12-17
- What's special about psychiatric subspecialties? (editorial). Tinsley JA. Spring 1-3
- Charting Skills**
- An educational intervention to improve residents' inpatient charting. Tinsley JA. Summer 136-139
- Child and Adolescent Psychiatry**
- Assessment of competency in child and adolescent psychiatry training. Sargent J, Sexson S, Cuffe S, Drell M, Dugan T, Ferren P, Kim WJ, Stubbe D, Zima B, Brown T. Spring 18-26
- Media violence research and youth violence data: why do they conflict? Olson CK. Summer 144-150
- Cognitive-Behavioral Therapy**
- The adult learner rediscovered: psychiatry residents' push for cognitive-behavioral therapy training and a learner-driven model of educational change. Cassidy K-L. Fall 215-220
- Community-Based Psychiatrists**
- Community psychiatrists who see geriatric patients: what's training got to do with it? Lief S, Andrew M, Tiberius R. Spring 27-33
- Competency**
- Assessing psychotherapy competence (letter). Mohl PC. Fall 251-253
- Assessment of competency in child and adolescent psychiatry training. Sargent J, Sexson S, Cuffe S, Drell M, Dugan T, Ferren P, Kim WJ, Stubbe D, Zima B, Brown T. Spring 18-26
- Can one portfolio measure the six ACGME general competencies? Jarvis R, O'Sullivan PS, McClain T, Clardy JA. Fall 190-196
- Competency-based training: where will it lead us? (editorial). Roberts LW, Louie AK, Coverdale J. Fall 161-163
- Computer Use**
- An electronic filing cabinet for "classic" articles and other teaching materials: something old, something new. Kung S, Lapid MI, Philbrick KL. Summer 140-143
- Creation of a Web-based lecture series for psychiatry clerkship students: initial findings. Martin V, Bennett DS. Fall 000209-214
- Media violence research and youth violence data: why do they conflict? Olson CK. Summer 144-150
- Use of a computerized evaluation system in a psychiatry clerkship. Bennett A, Arnold LM. Fall 196-203
- Consultation-Liaison Psychiatry**
- Psychosomatic medicine: a new psychiatric subspecialty. Gitlin DF, Levenson JL, Lyketos CG. Spring 4-11
- Cross-Cultural Psychiatry**
- A psychiatric residency curriculum on the care of African-American patients: the Committee of Black Psychiatrists of the American Psychiatric Association. Harris H, Felder D, Clark MO. Fall 226-239
- Addressing the effects of culture on the boundary-keeping practices of psychiatry residents educated outside of the United States. Myers GE. Spring 47-55
- Cross-cultural issues in forensic psychiatry training. Layde JB. Spring 34-39
- Curriculum**
- A psychiatric residency curriculum on the care of African-American patients: the Committee of

Black Psychiatrists of the American Psychiatric Association. Harris H, Felder D, Clark MO. Fall 226-239

An interviewing course for a psychiatry clerkship. Nuzzarello A, Birndorf C. Spring 66-70

Creation of a Web-based lecture series for psychiatry clerkship students: initial findings. Martin V, Bennett DS. Fall 209-214

Residency training in emergency psychiatry: a model curriculum developed by the Education Committee of the American Association for Emergency Psychiatry. Brasch J, Glick RL, Cobb TG, Richmond J. Summer 95-103

### Data Analysis

Mission-Based Reporting in academic psychiatry. Anders TF, Hales RE, Shahrokh NC, Howell LP. Summer 129-135

### Distance Learning

Distance learning technologies in the training of psychiatry residents: a critical assessment. Walter DA, Rosenquist PB, Bawtinheimer G. Spring 60-65

### Documentation

An educational intervention to improve residents' inpatient charting. Tinsley JA. Summer 136-139

### Emergency Psychiatry

Residency training in emergency psychiatry: a model curriculum developed by the Education Committee of the American Association for Emergency Psychiatry. Brasch J, Glick RL, Cobb TG, Richmond J. Summer 95-103

### Ethics

Hidden ethical dilemmas in psychiatric residency training: the psychiatry resident as dual agent. Hoop J. Fall 183-189

Legalism, post-modernism, and the vicissitudes of teaching ethics (commentary). Appelbaum PS. Fall 164-167

The dilemma of hidden ethical dilemmas (commentary). Kim S. Fall 168-169

The positive role of professionalism and ethics training in medical education: a comparison of medical student and resident perspectives. Roberts L, Hammond KAG, Geppert CMA, Warner TD. Fall 170-182

### Faculty

Autumn: thoughts on commending a fourth decade in academic psychiatry. Goodwin J. Winter 325-330

Hidden ethical dilemmas in psychiatric residency

training: the psychiatry resident as dual agent. Hoop J. Fall 183-189

Mission-Based Reporting in academic psychiatry. Anders TF, Hales RE, Shahrokh NC, Howell LP. Summer 129-135

Teaching residents and program directors about physician impairment. Broquet K, Rockey PH. Fall 221-225

The good-enough mentoring relationship. Williams LL, Levine JB, Malhotra S, Holtzheimer P. Summer 111-115

Women and teaching in academic psychiatry. Hirschbein L. Winter 292-298

Women in academic psychiatry. Bickel J. Winter 285-291

Women in psychiatric training. Bogan A. Winter 305-309

### Forensic Psychiatry

Cross-cultural issues in forensic psychiatry training. Layde JB. Spring 34-39

Teaching forensic psychiatry to general psychiatry residents. Lewis CF. Spring 40-46

### Gender Issues

Autumn: thoughts on commending a fourth decade in academic psychiatry. Goodwin J. Winter 325-330

Challenges faced by international women professionals. Juthani N. Winter 347-350

Gender differences in the practice characteristics and career satisfaction of psychiatrists in Ontario. Garfinkel P. Winter 310-320

Helping medical students understand post-partum psychosis through the prism of the "Yellow Wallpaper" by Charlotte Perkins Gilman. Tucker P, Crow S, Cuccio A, Schleifer R, Vannatta JB. Fall 247-250

History of women in psychiatry. Hirschbein L. Winter 337-298

Teaching psychiatric residents about women and leadership. Steiner J, Mazure C, Siggins LD, Waxman M, Jacobs SC. Fall 243-246

Women in academic psychiatry. Bickel J. Winter 285-291

Women in psychiatric training. Bogan A. Winter 305-309

### Geriatric Psychiatry

Community psychiatrists who see geriatric patients: what's training got to do with it? Lief S, Andrew M, Tiberius R. Spring 27-33

Do we need more creative solutions to increase the number of second-year and beyond geropsychiatry fellows?: a postfellowship viewpoint (letter). Detweiler MB. Summer 156-158

### Homelessness

A survey of American psychiatric residency programs concerning education in homelessness. McQuiston HL, Ranz JM, Gillig PM. Summer 116-121

### Impaired Physicians

Teaching residents and program directors about physician impairment. Broquet K, Rockey PH. Fall 221-225

### Inpatient Psychiatry

An educational intervention to improve residents' inpatient charting. Tinsley JA. Summer 136-139

### International Psychiatry

Addressing the effects of culture on the boundary-keeping practices of psychiatry residents educated outside of the United States. Myers GE. Spring 47-55

Challenges faced by international women professionals. Juthani N. Winter 347-350

### Interviewing

An interviewing course for a psychiatry clerkship. Nuzzarello A, Birndorf C. Spring 66-70

### Literature

An electronic filing cabinet for "classic" articles and other teaching materials: something old, something new. Kung S, Lapid MI, Philbrick KL. Summer 140-143

How to review a manuscript: a "down-to-earth" approach (editorial). Roberts LW, Coverdale J, Edenharder K, Louie A. Summer 81-87

### Media

"The Matrix": an allegory of the psychoanalytic journey. Mischoulon D, Beresin EV. Spring 71-77

Helping medical students understand post-partum psychosis through the prism of the "Yellow Wallpaper" by Charlotte Perkins Gilman. Tucker P, Crow S, Cuccio A, Schleifer R, Vannatta JB. Fall 247-250

Media violence research and youth violence data: why do they conflict? Olson CK. Summer 144-150

### Medical Student Training

An interviewing course for a psychiatry clerkship. Nuzzarello A, Birndorf C. Spring 66-70

Construct validity of an objective structured clinical examination (OSCE) in psychiatry: associations with the clinical skills examination and other indicators. Park RS, Chibnall JT, Blaskiewicz RJ, Furman GE, Powell JK, Mohr CJ. Summer 122-128

Creation of a Web-based lecture series for psychiatry clerkship students: initial findings. Martin V, Bennett DS. Fall 209-214

Helping medical students understand post-partum psychosis through the prism of the "Yellow Wallpaper" by Charlotte Perkins Gilman. Tucker P, Crow S, Cuccio A, Schleifer R, Vannatta JB. Fall 247-250

The positive role of professionalism and ethics training in medical education: a comparison of medical student and resident perspectives. Roberts L, Hammond KAG, Geppert CMA, Warner TD. Fall 170-182

Use of a computerized evaluation system in a psychiatry clerkship. Bennett A, Arnold LM. Fall 197-203

### Mentoring

The good-enough mentoring relationship. Williams LL, Levine JB, Malhotra S, Holtzheimer P. Summer 111-115

### Mission-Based Reporting

Mission-Based Reporting in academic psychiatry. Anders TF, Hales RE, Shahrokh NC, Howell LP. Summer 129-135

### Objective Structured Clinical Examination

Construct validity of an objective structured clinical examination (OSCE) in psychiatry: associations with the clinical skills examination and other indicators. Park RS, Chibnall JT, Blaskiewicz RJ, Furman GE, Powell JK, Mohr CJ. Summer 122-128

### Peer Review

How to review a manuscript: a "down-to-earth" approach (editorial). Roberts LW, Coverdale J, Edenharder K, Louie A. Summer 81-87

### Postpartum Psychosis

Helping medical students understand post-partum psychosis through the prism of the "Yellow Wallpaper" by Charlotte Perkins Gilman. Tucker P, Crow S, Cuccio A, Schleifer R, Vannatta JB. Fall 247-250

### Posttraumatic Stress Disorder

Impact of patient suicide on psychiatrists and

psychiatric trainees. Ruskin R, Sakinofsky I, Bagby RM, Dickens S, Sousa G. Summer 104-110

# Professional Publications

An electronic filing cabinet for "classic" articles and other teaching materials: something old, something new. Kung S, Lapid MI, Philbrick KL. Summer 140-143

How to review a manuscript: a "down-to-earth" approach (editorial). Roberts LW, Coverdale J, Edenharder K, Louie A. Summer 81-87

# Psychiatric Interviewing

An interviewing course for a psychiatry clerkship. Nuzzarello A, Birndorf C. Spring 66-70

# Psychiatric Subspecialties

Assessment of competency in child and adolescent psychiatry training. Sargent J, Sexson S, Cuffe S, Drell M, Dugan T, Ferren P, Kim WJ, Stubbe D, Zima B, Brown T. Spring 18-26

Cross-cultural issues in forensic psychiatry training. Layde JB. Spring 34-39

Do we need more creative solutions to increase the number of second-year and beyond geropsychiatry fellows?: a postfellowship viewpoint (letter). Detweiler MB. Summer 156-158

Psychosomatic medicine: a new psychiatric subspecialty. Gitlin DF, Levenson JL, Lyketsos CG. Spring 4-11

Residency training in emergency psychiatry: a model curriculum developed by the Education Committee of the American Association for Emergency Psychiatry. Brasch J, Glick RL, Cobb TG, Richmond J. Summer 95-103

Subspecialty certification by the American Board of Psychiatry and Neurology. Juul D, Scheiber SC, Kramer TAM. Spring 12-17

Teaching forensic psychiatry to general psychiatry residents. Lewis CF. Spring 40-46

What's special about psychiatric subspecialties? (editorial). Tinsley JA. Spring 1-3

Workforce information on addiction psychiatry graduates. Tinsley JA. Spring 56-59

# Psychiatric Workforce

Challenges faced by international women professionals. Juthani N. Winter 347-350

Community psychiatrists who see geriatric patients: what's training got to do with it? Lieff S, Andrew M, Tiberius R. Spring 27-33

Do we need more creative solutions to increase the

number of second-year and beyond geropsychiatry fellows?: a postfellowship viewpoint (letter). Detweiler MB. Summer 156-158

Gender differences in the practice characteristics and career satisfaction of psychiatrists in Ontario. Garfinkel P. Winter 310-320

History of women in psychiatry. Hirschbein L. Winter 337-350

The need to define and study resident duty hours (letter). Sutton B. Fall 253-255

Women in academic psychiatry. Bickel J. Winter 285-291

Workforce information on addiction psychiatry graduates. Tinsley JA. Spring 56-59

# Psychiatrists

Community psychiatrists who see geriatric patients: what's training got to do with it? Lieff S, Andrew M, Tiberius R. Spring 27-33

Impact of patient suicide on psychiatrists and psychiatric trainees. Ruskin R, Sakinofsky I, Bagby RM, Dickens S, Sousa G. Summer 104-110

Teaching residents and program directors about physician impairment. Broquet K, Rockey PH. Fall 221-225

# Psychosomatic Medicine

Psychosomatic medicine: a new psychiatric subspecialty. Gitlin DF, Levenson JL, Lyketsos CG. Spring 4-11

# Psychotherapy

"The Matrix": an allegory of the psychoanalytic journey. Mischoulon D, Beresin EV. Spring 71-77

Assessing psychotherapy competence (letter). Mohl PC. Fall 251-253

Small-group videotape training for psychotherapy skills development. Abbass A. Summer 151-155

The adult learner rediscovered: psychiatry residents' push for cognitive-behavioral therapy training and a learner-driven model of educational change. Cassidy K-L. Fall 215-220

# Public Health Issues

A survey of American psychiatric residency programs concerning education in homelessness. McQuiston HL, Ranz JM, Gillig PM. Summer 116-121

# Research

Committing to the scientific basis of psychiatry: implications for training and educational

- research. Roberts LW, Coverdale J, Louie A. Winter 261-262
